“ Our dearest Nonoy Waven (from Paul & Edith)  
My Tito Waven ( from Richie)

*Hi! 'Noy, we know how happy you are now in a Beautiful Place that only you, Papa, Noy William, Lola, Lolo, Roming & Kareem and our other loved ones surely could tell. A Heavny Place where sorrows, pains, sadness, & hurts are never mentioned and where only joys, happiness, and eternal bliss are heard. We really really love u & miss you. Please tell Papa & Nonoy William how we miss them. The beautiful memories of our childhood came rushing back so vividly well now that you have joined Our Creator. We learned you wanted to come home. You might have meant - Home with our Creator or home in the Philippines. Whichever it was, it doesn't matter anymore for we know you are now Home with our Father in Heaven and you will soon be home with us here in Iloilo City, Philippines. Mama sends her love and kisses. She longs to see you here at home soon. WE LOVE YOU AND MISS YOU SO MUCH !!

“ Letting go is always the hardest thing to do, at least for me, but I am letting you go because I know you are now in a better place. A place free from all cares, a world free of all pains and frustration. I want you to know that you will be truly missed, but go and rest in peace. We will be okay because you will be there to see us through. Papa and Nonoy William will surely welcome you with love.

*Surely you three will always be around to be our unseen angels and guide. We are counting on you. We love you all and miss you.###imported-begin###Ching (Patrice ###imported-end##*

“ Hi Pa,

*Words are not enough to tell you how much I appreciate your presence in my life. I was privileged and honored to spend almost 2 years with you, short but it was the best time of my life, though I wished I was given more time with you to enjoy you and to go places with you.*

*You had made me who I am today, you built my confidence every time I felt discouraged, put a smile in my face whenever I'm saddened, pushed me because you know I can do better. You always told me to be honest and to speak up for myself coz nobody will, it helped me to face the challenges of being away from you. I missed the time when we hang out, dinner and a movie, when you helped me fix stuff, when we dance and laugh, when you sing your heart out, the car wash time. Or even just our nightly walk around the complex, searching for good stuff we can salvage...not to mention our mahjong session.*

*I thank God that He gave me this chance to see this side of you, carefree and free spirit. I can't wait to see our garden grow and I'll missed your modified menus and shake (with nuts and chips).*

*I know that where you're at is the most amazing and beautiful place, I'm sure you'll enjoy the garden. I terribly miss you and I hope you know how much I love You...Till we meet again...Love you a lot.*

*You're always in me.##imported-begin##Inday juv##imported-end##*

“ A smile comes to my face whenever I reflect on the time I lived with Pa. We (Pa, Nay, Juve, and me) had some good times together like our mahjong games, nighttime runs to the community exchange at Brantley Terrace (AKA the Brantley Terrace garbage dumpster), and our weekly lunch/dinner at Golden Corral to name a few. Pa even taught me how to speak Ilongo (â€œgabotâ€, â€œoo-oo manâ€, â€œdayutâ€, â€œtuyuâ€ and the list goes on). He was so much fun and always had a smile on his face. I am so privileged to have had the opportunity to know him! I can certainly see where my best friend, Juve, gets a lot of her good qualities from.

Although Pa has gone to be with the Lord, I know that he will always be with us. The memories and the mark he made on my life will always be with me. Whenever I see the faces of his wife and children, I will always see him there. May God bless you always, Pa, and I look forward to meeting you again in the heavenly kingdom of God!##imported-begin##Tina Aguinaldo##imported-end##
