Thoughts and prayers are with the Landkorn family at this difficult time. I was blessed to have met Willy a few times and saw what a wonderful father and gentleman he was. Hold your memories close.

“ *Mr. Landkorn - your family was like a second family to me. The many memories I have with your daughter Cindy and the opportunities you gave us. I recall the endless stash of quarters which allowed us game after game after game in the Contemporary arcade, was a blast. The golf cart adventures and dinner at the Hoop De Do Review or how about the jacuzzi parties at the house. You always made it fun and exciting for us girls, you will be truly missed.*

“ Steve says he remembers working with Uncle Willy one summer in New Jersey, and how much Willy loved eating at diners (especially for breakfast). Steve also remembers when he and his friends drove down to Florida and Uncle Willy got them all up early to go out to breakfast!

*We hope the happy memories live on, and we send love and sympathy to all of you.*

“ What wonderful memories I will cherish of my dad. He was such a great man. Hard working and he had a great life. Always putting the kids first because to him, nothing else mattered. The last few years have been very difficult and I hope you are in a better place. I love you so much!

“ My daddy! What wonderful memories I will treasure. He was always there for me when I needed him. He worked hard and lived a full life. Most importantly to him was the children. His whole life revolved around his kids and grand kids. My heart will always have a little empty place with his passing. Love you dad!
