“ *Gayle & Family,  
I am so sorry for your loss. I was under the impression that you had moved to VA, had we known you were still here we would have gotten together with you and Wick. We always seemed to have a good time. My heart goes out to you. I know how very hard this has to be for you. I am sure you are going through some of the same sadness, which I am experiencing. God bless you and comfort you.*
