“ Many years ago I was working as an insurance agent was Bill Altenberg in the Margate Coral Springs area Florida. We work together at equitable life and for one year we were basically partners and did a lot of traveling between the eastern West Coast. I'm now 85 and still active in the business and just ran across Bill's name and saw that he passed away in 2024. Bill was a rarity tough and really a sweet man —Bill , my old friend. I never forgot you & this dayto this day I miss U very much. We had 2 year together that we worked and we broke every record that you can imagine. I'm sorry I didn't know about Bill's passing, and it was just by chance that I googled his name and to his family, his children, grandchildren, and all those the knew him and see this well all I can say is that Bill was one heck of a guy nobody better-
