“ Terry Gaunt - friend posted a condolence I'm thinking of Bill on this rainy day.. reading the beautiful entries from friends and family who knew and loved him! of course I want to say, 'ditto.' I remember Bill saying with authority, "There are no exceptions to Step 1."... I don't get to have power over 'just this one thing'... I remember that today as I'm missing Bill. I look forward to celebrating Bill's life on sunday--

“ Chuck Auman (Butch) - Uncle posted a condolence I am one of the few remaining people who knew Bill from the day that he was born up to the very end. And what a wonderful life he had! Like all those who knew him I will never forget him. I was so very lucky to visit him just a few days before he left this life to move to the next. I know his is in good company now and that he awaits the day we will all meet again.

“ *Tom Thomas - Friend posted a condolence Bill Auman was my brother's best friend growing up. He was an amazing football and baseball player. I can still remember him playing halfback in the Championship game between the Packers and the Gators - 7 to 7 tie with the Packers points scored by Bill. I remember when he hit a home run out of Hoyt Field at the age of 13. Nobody had ever done this. Or when he pitched a shut out to win the Districts. He was also an accomplished artist and won many awards for his drawings. Great drummer for one of the best bands of the 60's in St. Pete. But most of all I remember Bill as a guy you always treated me with respect. I was 4 years younger than Bill and my brother John but never once did he ever pick on me. Bill will be missed but never forgotten. When I get to heaven I am sure he will be ready for us to play another game of pool ball!*
