“ *Kimberly Austin - JC Newman Cigar Co. posted a condolence Dear Debra, I worked with your son for many years during his tenure at Melco, and my husband and I had the occasion to spend a great 4th of July one year with William and your family. I will always have a special place in my heart for your son. He was a good man. I lost touch with William over the last few years and only today learned of his passing. I am so very sorry for you, your family and William's wife Maria and the children. May god bless and comfort all of you during this terrible sad time. With Deepest Sympathy-Kimberly*
