“ October, 2013 Philippines...my dearest cousin Luke, you are loved, missed and prayed for...I was thinking you could make it to our Return To The 60's university alumni reunion next year...but God has His wisdom over your life and now you are one of our intercessors in heaven...as we keep on praying for you please also lift us up to God, that He may hear all our petitions as we keep on facing our challenges .
You are chosen to enjoy now eternal life, while we still have our time as mortals subject to pain...we will join you anyhow when the time comes, so as mortals, we ease out our life with the help of the souls of those we are related...so be it with you Luke.

Shalom.....Fides

“ My Dearest Hon: We spent so many years together sharing special moments with one another. We had a endless love that can never be replaced.

I will miss your laughter, your soft touches as you stroked my arms, your warm embraces and how we cuddled up together watching TV.

Through our years we can both say we have found our true "sole" mates. I will cherish all the memories of our love and sincere devotion.

*Always your Hon and forever your one and only.
Love you always, Karen*
