“ *To Michael, my wonderful brother-in-law, Words can not express the pain of losing you. They say time heals all pain. I'm not sure. You were funny, loving, and thoughtful. I remember the first time that I met you. Cyndy and you had come to Lowell for a visit. We had gone to visit my Mom in the nursing home. After we arrived you asked if you could borrow my car. When you came back you were carrying flowers. That's when I realized what a special caring person you were and how lucky Cyndy was to have you in her life. Every year on my birthday you would call me and sing Happy Birthday. I will miss those calls, Michael. We will take care of Cyndy for you. She is having a hard time but I keep reminding her that you will always be with her and us in spirit, but our lives will never be the same. We all love and miss you. See you in Heaven.*

*Love,
Donna*

“ *I only had the pleasure of being in Michael's company a few times but during those times I could tell that he was a wonderful person. He complimented my cousin, Cyndy, and made her happy. I'm sending prayers and love to your family. May Michael rest in peace and may you cherish all the precious memories of him that will keep him alive in your heart.*

“ Our hearts are saddened and our thoughts and prayers go out to the Kingston family. Mike was a valued salesman and friend to everyone in the C&C Pumping Services family and he will be dearly missed by all. Mike took good care of his customers and we knew that he loved doing what he did!!! May he rest in peace and be assured that he will no longer have to worry about getting those 2 am wake up calls from a customer looking for a pump. Keep smiling Mike!!!
