

William (Bill) Kleinknecht, III

March 6, 1931 - November 16, 2020

William (Bill) was born in Bridgeport, Ct on March 6, 1931. His parents were Carl Kleinknecht, Sr. and Ruth Morgan Kleinknecht and he was one of 6 siblings. During his time in Bridgeport, William worked in his father business at Barrett Roofing and Supply Company of Bridgeport. On April 17, 1953, William married Margaret Ann Obbagy and they had three children: Karen (Winter Garden, FL), William, IV, (Hendersonville, NC) and Judith, (Maitland, FL) and grandchildren.

In 1971, the family moved to Maitland, FL where William started his own roof repair company, Cover All Roofs, Inc. Later in life, William went to work for Orange County Public Schools and upon his retirement, he and Margaret began an interesting career selling antiques and other items at various flea markets in Central Florida. Bill was known for his keen sense of humor.

During his life, he always had a passion for automobiles and old collectable toys. He spent many hours restoring toys and countless hours putting together models to add to his collection. He also restored a 1963 Volkswagens Beetle to show room perfection.

Bill was a humble man with a heart full of love and compassion. He always believed in God and shared his faith with everyone he met.

His daughter Judy, son-in-law Bill and grandson Josh had the honor to be his caretakers during the last 3.5 years of his life. Judy said she will treasure every moment and memory. He was a very precious human being and will never be forgotten.

“The righteous man walks in his integrity; his children are blessed after him.”
Proverbs 20:7

“ *My Dad was an amazing human being who had strong faith in God. He not only was my Father but my best friend. I had the honor of taking care of him after my Mother's passing in 2016 and I can assure you, I do not regret one moment of that time. I had the loving support of my husband Bill and son Josh. I can rest in peace knowing that he is in heaven with my Mom, his family and friends and most importantly, our amazing God. We will have a service at your resting place in December because you loved Christmas and Poinsettias so much.*

Thank you Dad for being who you were, loving me and making this crazy world a better place. I love you with all my heart and soul. We will see each other again!!!
