“Pop, we want you to know how much you sharing your last year of life with us meant. You took such a big leap of faith, leaving your comfort zone, to come to Florida to be with us. The kids will never forget it. Sitting out back by the pool, drinking our coffee, and cracking up laughing will be the memories we hold in our hearts. You left us too soon but we know you are happy now with Vic, Sue and Mom. Tell them hello. Gianni says she hopes your tummy doesn't hurt anymore. We appreciate all you have ever done for us in life, more than we could ever say. You will always be missed and never forgotten. We love you Pop. Love ya and later...”
