“ *Willie and I were born on the same day and year. I was AM and was PM. Although I hadn't seen Willie in a number of years I always thought about him especially on our big day.
RIP Willie.*

*We Worked On Several Simulation Projects At Lockheed/Martin And I Am Truly Sorry To See This Notice.
I Enjoyed Working With You And I Know GOD Welcomed You With Open Arms ... May He Bless Your Family and Their Life Ever-after...
Sincerely,
Timothy W. Broughton*
