“ I have very fond memories of Mr. Mustard.

As children growing up, we weren't allowed to call them Connie and Bill. It was yes Mr. Mustard and yes Mrs. Mustard.

Mr. Mustard and Mrs. Mustard were great neighborhood chaperons.

The Mustard's moved on to our block on Huron Trail in the 1960's before Maitland was even Maitland. Mike and I became closest of friends.

We had a small neighborhood "Gang" and were encouraged by our good friend the Great Dr., Jim Culbert to terrorize Lynn and the neighborhood with firecrackers and mischievous tricks.

Somehow Mr. and Mrs. Mustard always knew what we were up to and gave us a thorough lecture.

I can also remember we were never allowed to touch Mr. Mustard's tools.

We enjoyed hours in the pool and fun into the night. Now I can reflect on how lucky we were to have such a wonderful family protect and care for us.

Love to you and all of your family and Mr. Mustard and Mrs. Mustard thanks for caring so much.
