

William John Pandos

March 24, 1934 - May 6, 2023

William John Pandos, 89, of Oviedo, Florida peaceably passed away on May 6, 2023.

William was born in West Mifflin, Pennsylvania to John and Mary Pandos. After his military service he moved to South Florida in the 1960's where he worked as a Glazier and raised his family. During the 1990 he moved to Oviedo and enjoyed traveling with his wife in their motorhome throughout the United States visiting National Parks.

William is survived by his loving wife Patricia Pandos of 65 years; children: Karen Cappello (Joseph), Cheryl Phillips (Thomas), William John Pandos (Donna), Margaret Hoffman (Phil); grandchildren; Jennifer, Danielle, Michael, Samantha, Tiffany, Joshua, Zachary, Philip, Pierce, and Kate; great grandchildren; Grant, Theodore, Addie and Anna; and many other family and friends.

Bill, as he was best known as, enjoyed family, friends and had several hobbies. He shared his love for the ocean and nature with his children. The many trips traveling to the Keys crossing the seven mile bridge with a boat in tow and four children in the car was a family favorite. These trips to fish and camp leave loving memories his family will cherish forever. In the later years of his life when traveling was too difficult he returned to his crafts. He lived his

life with courage and fortitude, there was nothing he could not build or design, he was a notable craftsman throughout his life.

Funeral arrangement will be held on Friday June 9th at 11:30am, at Most Precious Blood Catholic Church in Oviedo. The mass services will be followed by interment at Queen of Angels Catholic Cemetery.

“ There are never the right words to express ones condolences when it comes to events like this one. A person tries to put their emotions to words and they never come out as they intended it to. With that said I wanted to express my deepest sorrow for the loss that you all are going through.

William John Pandos, your son is a very good friend of mine that I have known for a long time (best buds). Bill has told me many stories with you in them over the fifteen years as friends whether it was when we were at lunch or just driving around town. Bill tends to put on this big, strong, tough act but...don't tell anyone....but...he is a big huge softie with a big heart that he doesn't want people to know about. That big heart is now broken because someone he loves very much is resting peacefully in Heaven right now. He will miss you deeply each and every day. I want you to know that when it does get tough all of us will be here to help him navigate through the emotions of losing you.

*As you stand guard at the Pearly Gates of Heaven watching over Bill and the rest of your family please know that they will miss you everyday. Every cloud that passes, every rain storm and every star they see will be you standing guard watching over them, Marine! Rest easy, Marine! Your tour of duty is over! Thank you for honorable service to our great country and amazing family!
