“ There are no words that can express how sad I am that God called Bill home. He wasn't just a neighbor; he and his family are our family. Bill was a great husband, dad and grandfather. He LOVED his family. I sincerely miss him. But I find a little comfort in the thought of him and Doris being together again. To his children and grandchildren continue to be there for each other and love one another; Because that's what they both wanted

“ Our friends are so missed, every day we speak of Doris and Bill and pray for their family.
We located these pictures that we had the pleasure to share our happy times with Bill. It was such a great day one kindergarten and the other birthday
