“ *Mike and Linda (Kenney) Norman - Acquaintance of Family posted a condolence Mike and I send our thoughts and prayers to the Payne Family during this sad time. As a young girl, I knew Beth Payne, while attending the old Christian & Missionary Alliance Church on William Street in Corning. I always remember Mr. Payne in church. He was so devoted to the Lord. Mike used to stop by Payne's Hardware Store in Painted Post when he was a paperboy. We last saw Mr. Payne at the final Painted Post High School Reunion at Craig Park a couple of years ago. His family can take comfort in knowing he is with his Lord.*

“ *Mike and Linda (Kenney) Norman - Acquaintance of family posted a condolence Mike and I would like to send our thoughts and prayers to the Payne family. I, as a young girl, new Beth Payne and her family while attending the old Christian & Missionary Alliance Church on William St. in Corning. I remember seeing her dad in church on Sundays. His love and devotion for the Lord was obvious. Mike lived in Painted Post and used to stop by Payne's Hardware Store all the time when he was a paperboy. We last saw Mr. Payne at the final Painted Post Alumni Association picnic in Craig Park. Your dad was a wonderful man and father and is now happy with the Lord.*

“ *Faith Payne Waite - Niece posted a condolence Uncle Duke was my favorite Uncle of all times. As a niece, I spent many hours playing in their home on Charles St. with Joan. Aunt Arlene and Uncle Duke always made me feel wanted and special. Uncle Duke was the best Christian I ever knew. He lived God's love from his heart every day of his life with so much love and compassion for all. Now he is with the Lord, whom he served, enjoying the streets of gold. I can't begin to imagine the joy when he arrived in Heaven with all his family there waiting for him. Soon we will all be together..what Hope we have in Jesus Christ. I love you Uncle Duke. Love and kisses until we are all united in Heaven. Your niece, Faith*
