“ I enjoyed talking to Bill whenever he came into the animal hospital for Pep. I always made sure to catch up with him on his health. He made sure to ask about me when I was not there and I was blessed to be able to see him and his infectious smile in early June. I will miss him very much and know that everyone that was apart of his life will miss him immensely. Sending my condolences to his family and definitely Benny.

“ He was a great person and friend, we had an unbelievable group of friends and basically a family, we were so lucky, life takes its toll and we forget...but at this point in our lives we should remember and be thankful❤️

“ So, so very sad to hear this. I was glad Billy got in touch this past year. Talking with him after all these years it seemed like no time had passed at all. Thank you to his friends in Florida for giving him a send off. Needless to say, all his "old" friends up north are sharing our memories and hoping to have a gathering in the future to pay tribute to our friend Billy.
