“ A Thousand Years

Christina Perri

Heart beats fast

Colors and promises

How to be brave

How can I love when I'm afraid to fall

But watching you stand alone

All of my doubt, suddenly goes away somehow

One step closer

I have died everyday, waiting for you

Darling, don't be afraid, I have loved you for a thousand years

I'll love you for a thousand more

Time stands still

Beauty in all she is

I will be brave

I will not let anything, take away

What's standing in front of me

Every breath, every hour has come to this

One step closer

I have died everyday, waiting for you

Darling, don't be afraid, I have loved you for a thousand years

I'll love you for a thousand more

And all along I believed, I would find you

Time has brought your heart to me, I have loved you for a thousand years

I'll love you for a thousand more

One step closer

One step closer

I have died everyday, waiting for you

Darling, don't be afraid, I have loved you for a thousand years

I'll love you for a thousand more

And all along I believed, I would find you

Time has brought your heart to me, I have loved you for a thousand years

I'll love you for a thousand more

I did this not too long after we were married so that he would always know how much I loved him. I always thought i would die first.

“ Before Bill got sick his wonderful wife and I would pray for him to bring his life to God. When he got sick and it seemed things in his illness were going up and down in news of how sick he was or how and if he would recover. He did bring his life to God and he seemed to be happy even though he was fighting a very nasty illness. I am sure he is in paradise with our savior Jesus Christ and is SO HAPPY! Sheryll I am praying for you as you know and I am here for you as the leader on the pastoral staff at your online church. We love you and we are here to help you in the ways we can and pray with you and for you.
