“ September 2, 2015

I have such fond memories of Bill and the many hours Bill, Wendy and I spent on the sailing vessel the Lionnesse. I learned so much from Bill about the right way to do things on a boat. I admired his calmness, his knowledge and his zest for life and learning. I will think of him every time I leave port and every time I take the time to do a repair the right way.

Fair winds and a following sea Bill.

“ *Sheila & Family--so sorry to learn of Bill's passing. It's a shame we never got together at one of the RHS reunions. We talked about Bill often. My most vivid memory is a flight we took, out of Suffern, I think--Bill, myself, Rick Pagach, and one other person. Bill did some stalls, and one of the others lost his lunch. I remember trying unsuccessfully to get a breath of fresh air out of a tiny window about 1 inch wide, which opened about 1/4 inch.*

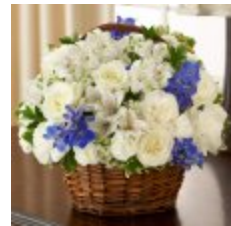

My daughter lives in Tampa, and we're going down there, but not until the 9th, so I'll have to join you in spirit only. Bill was a great guy, and we had a lot of fun together--that's how I'll remember him. God bless you and your family.

“ I was honored to meet Bill through his daughter Wendy. One moment I remember fondly was about 5 years ago, my son and Jimmy were 4 graders at St. James. They were cub scouts and I was looking for a new experience for the boys in our den. When Wendy suggested sailing... so off we went one Saturday with a group of scouts, Wendy, Bill and myself. Many of the boys had never been on a sailboat before and they were a little nervous about sailing out into the ocean. With his broad smile and his calming demeanor Bill reassured the group as we motored along the inlet. He encouraged the boys to steer the sail boat as we watched for dolphins along the horizon. It was a great day - every one of us left the sail boat with a big smile on our faces.

Sheila, Wendy, Robert, Jimmy and Joey you are in our thoughts and prayers.

*With our deepest sympathy,

Mrs. Spitler and Wendy,

I echo Donna's words of it being an honor and a privilege that Mr. Spitler was so kind and caring to all our St. James boys. I too remember that sailing day. As a Mom usually terrified of what great big adventure Donna had planned for the boys next, I knew that there was no better person for Matthew to experience his first sailing experience with. In addition to being the best Boy Scouts and soccer Granddad, Matthews favorite days were those when he got to go home with Jimmy to his Grandparents house. I will always be grateful for the generosity of heart he shared to us all.

Jimmy and Joey thank you for sharing your Granddad, we too will miss him dearly.

With love and deepest sympathy, Tina, Nick, Matthew and Samantha Alenius

“ Happily, for about ten years my family was able to call the Spitler family our next door neighbors in Winter Park. In writing a note to Wendy today I singled out three things I especially recall about Bill Spitler. These are:

1. His ever ready, sunny smile. Broad and beaming. (See Army photo on this website. THAT'S the smile!)
2. His never being idle- always a fascinating project or hobby in progress.
3. His generosity of spirit- he would often offer something we needed before we ever asked. This could be anything- his help, a needed tool, or access to the backyard for boat launching or storage.

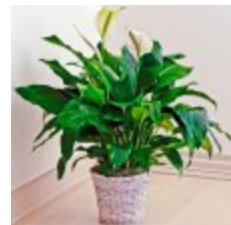

I consider Bill and the Spitler family to be some of the finest people I have ever known. They are dear to me. My heart goes out to Sheila, Wendy, Robert, Jimmy and Joey and all Bill's friends and relatives. You are in my prayers.

Bill will be greatly missed.

“ As a child during the 70s there were few homes where I spent more time at than at the Spitlers'. During that time I had the pleasure to call Robert my childhood friend and to know the Spitler family.

It my eyes - and those of so many others - Mr. and Mrs. Spitler were perfect parents and so many of my childhood memories involved their loving home and selfless generosity.

Mr. Spitler was a role model father and growing up I respected his intelligence, his work ethic and the kindness he exhibited to everyone. As an adult I look back and know that I was truly lucky and blessed to know Mr. Spitler and his amazing family.

My thoughts and prayers are with Mrs. Spitler, Robert and Wendy during this difficult time.
