“ To all of the Whidden family, You were, and still are just an extension of our family. We have a bond that will never fade. I am sure Uncle Junior, Daddy, and Uncle Marion had a lot to catch up on hopefully they aren't arguing yet (: He will be greatly missed, we all have so many special memories, especially as kids, to cling too. We were the lucky generation to have been blessed with the family we have. Love and prayers too all of you.
