With tearful eyes we watch you and saw you pass away and although we loved you dearly we could not make you stay. A Golden heart stopped beating hard working hands at rest. “*Jessie Lee - Granddaughter posted a condolence I can not cry, for I know you have no more pain... I do know that you are at peace now, and, even though you laughed at me grandpa, I told ya, everyone's young in heaven!!! I know my mom is having a hard time with this, even though she's being "Peggy" and not breaking, she's always been the strong one, but like you told me, she'll be okay. I'm sorry I can't be there for the service, but I know, that you know, I'm there. RIP Grandpa, we will all see ya before ya know it*
